EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Michael J. Ferrazano on 4/12/07.

The application has been amended as follows:

- cancel claims 42-47
- In claim 21, line 8: insert "the blocks of" before "the particular digital video frame"
- In claim 26, line 1:
 - delete "is" after "enhancing"
 - insert " includes a combination of some operations" after "enhancing" and before "selected from a group comprising..."

Also, it is noted that the status identifier of claims 42-47 in the list of claims filed on 2/5/07, which is Previously Presented, is not proper. It should be Withdrawn since claims 42-47 were withdrawn from consideration during the prosecution. The attorney of record admitted that error and agreed to cancel these claims.

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Cong-Lac Huynh whose telephone number is 571-272-4125. The examiner can normally be reached on Mon-Thurs (9:00-7:00).
